

I PLEDGE TO

IN OUR BOOTS

Avoid Emergency Scenes.

I will stay informed of traffic incidents ahead and use alternate routes and detours to avoid the area whenever possible.

Move Over and Slow Down.

I will move over one lane and slow down when I encounter stopped emergency vehicles on the roadway if I can do so safely.

Leave My Phone Alone.

I will not text, call, livestream, or record when I am driving.

Stay Alert.

I will keep my eyes on the road, hands on the wheel, and mind on the traffic.

Follow Instructions.

I will follow all directions from traffic control signs devices, and personnel. I will not attempt to pass an emergency scene on the shoulder, drive through it, or u-turn to avoid it.

Not be a "D" Driver.

I will not drive distracted, drugged, drunk, drowsy, or dangerously.

I am responsible for safeguarding the lives of others, including emergency responders who are helping victims at roadway incidents. Through these actions, **#ISaveResponderLives**.
